DESCRIPTION

The Parrot (Black) is a compact and stout EDC folding pocket knife. It features a modified sheepsfoot blade made from 154CM stainless steel with high wear and corrosion resistance, providing excellent edge retention. The sharp blade and downward sloped tip ensure worthy cutting and slicing performance while minimizing accidental injuries. The handle is made from Micarta that is ergonomically contoured and textured, providing an excellent grip. Inside the handle is a robust liner lock, and the blade running on a low-friction ball-bearing system allows you to deploy the knife with the jimped front flipper smoothly. Measuring at only 3.7 inches when closed and with a deep-carry pocket clip, it is a perfect daily carry pocket knife that's comfortable and trustworthy.
